Manufacturer Hakan Plastik Boru ve Profil San. Tic. A.S.	Place of manufacture Cerkezkoy / Tekirdag / Turkey	

Product covered by the licence

Type of product Plastics piping systems for non-pressure underground drainage and sewerage – Unplasticized poly(vinyl chloride) (PVC-U)	Standard Normative document EN 1401-1:2009	Specific rules INSTA SBC 1401-1
Specification of product Ø 110 – 200 mm, PVC-U pipes, dim group 1, SDR41, SN4 and SDR34, SN8, buried in ground within the building structure and outside the building (application area code "UD") Confidential information according to the enclosure		

The licensee above is hereby given permission to use the INSTA-CERT mark on or in connection with products, which fulfil the requirements of the standard or the normative document specified above (what is said in this document about INSTA-CERT mark will also be valid for marks defined in relevant SBC). The certification licence is valid on the condition that the licensee complies with the "General rules for certification by partners of INSTA-CERT" (GRC) and the specific rules applying to certification of products of the type mentioned. The licensee is obliged to indemnify INSTA-CERT partners of any claim for damages or any other expenses to which partners may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies to defective or faulty products.

INSTA CERT LICENCE

The licence is valid for one calendar year, unless the licensee or member of INSTA-CERT gives at least three months notice to the contrary. The licence will be re-issued with an amended "date of valid edition" only if the content and/or conditions of the licence have been changed.
The licence is not transferable.
